Rev. J. P Jenkins, D. D., of Dakota Wesleyan University.

The Missouri conference of the Methodist Episcopal church, meeting in Maryville, this morning chose Memphis, Scotland county, as the meeting place for next year. Memphis is in the northeastern part of the state. The date for next year's meeting will be set later by the bishop of the Missouri conference.

Included in a set of resolutions presented and adopted as amended was a section favoring the union of the two Methodisms, north and south. This section, numbered Article 4, is as follows: "We, as a border conference and therefore most affected, are in favor of the union of the two Methodisms in harmony with the form and spirit of the original undivided church. We are not in favor of the proposed plan of regional and racial conferences, believing such a plan unfair to both Methodisms in many places and fearing it would still leave us with a sectional church."

Bishop Discusses Spiritualism.

Bishop W. A. Quayle addressed the conference this morning on the theme "Jesus and Death." He talked of the "weak-mindedness and fallacy" of spiritualism. "Its appeal and desperate wickedness lie in its coming to us when our hearts are full of tears," he said. "Conan Doyle has been lying so long as a detective that he has lost his appreciation of truth.

"Sir Oliver Lodge's eminence as a scientist does not give him equal right to be recognized as an authority in spiritualism. His book is so weak that it is neither whey nor water.

"On the other hand, the Christian, when he dies, departs to be with Christ, 'which is far better.' We are at home wherever Christ is, be it at Nazareth, Capernaum or Jerusalem. Enoch, Elijah, Moses and boys and girls playing in the streets show the reality of spiritual living personalities—not by knocking and tapping on tables, but by going to church, to Bible, to God in prayer—we can heal our hearts' sorrow for the loss of loved ones."

One Elected to Elder Orde

Nelson P. Horn this morni graduated from the course of and elected to the Elders' order.

Dr. A. H. DeLong, superintende the St. Joseph district, read his port. The pastors of the Maryvi district then reported their charge and many of the pastors gave a splen did account of their Centenary offerings. This was followed by the reports of the pastors of the St. Joseph district.

The bishop suggested to the pastors that the way to deal with "tightwads" was to "soak them with water; then they will expand; but do not lambast them."

The following are the additional supernumeraries: G. E. West and M. L. Womack. The retiring ministers are S. W. Jones, S. D. Kendall, W. H. Holland and T. J. Enyart.

James R. Shultz was recommended for ordination as a local deacon.

Speaks of K. C. School.

Miss Tibbetts of the Kansas City National Training School spoke briefly concerning the school. She declared "it was the purpose of the school to put the miss into Missions.

C. G. Colby and C. C. Elliott were transferred out of the conference, Colby to Iowa and Elliott to Nebraska.

The following new members were added to the conference: George B. Minor from Iowa; C. R. Davis from southwest Kansas; Mr. Hoff from Minnesota; and Mr. Hill from Arkansas.

Mr. Bortch of the Anti-Saloon League gave a brief talk on antisaloon matters.

Professor L. E. Fuller of the Garrett Biblical Institute of Evanston, Ill., addressed the conference.

The report of the committee of conference relation was recommended. John L. Kapp was ordered recognized as a local Elder. C. L. Owens was ordered recognized as a local Elder.

The committee of finding report was read by F. E. Edwards and the following resolutions were adopted:

"The greatest economy be exercised in the administration of the Centenary Fund and of all the funds of the various benevolent boards of the church.

"We protest against the voluminous, frequent and duplicate correspondence being sent out by the departments and sub-departments of the Centenary office."

"We further protest against the unnecessary calling by agents of the Centenary and boards of the churches of the district superintendents and pastors from their urgent duties on their districts and charges to attend regional and other conferences, whether the expense is met by the district superintendents and pastors themselves or by the board issuing the call."

Following the resolutions, S. W. Jones who asked for the retired relation, addressed the conference. T. J. Enyart, another minister who asks for the retired relation, spoke feelingly a few words of farewell to the Conference. For forty-four years without an exception he has answered the roll call.

Dr. C. B. Spencer, editor of the Central Christian Advocate, was introduced and spoke to the conference.

ROUTE FOR KANSAS CITY VICTORY TRIP NOT FINAL

MARYVILLE ON SCHEDULE

Letter From Secretary of Motor Car Dealers Warns of Approaching Visit of Advance Committee

If Maryville really wants to be kept on the route of the Kansas City Victory Tour, which the motor car dealers of that city are planning for September 29-October 5, Maryville will have to be nice to the men in the pathfinder car, which will leave Kansas City next Monday, September 22, to map the proposed route. Lack of courtesy may cause a change, even now, according to a letter received this morning from E. E. Peake, secretary of the motor car dealers' association. Bethany, Albany, Maryville, Burlington Junction and Rock Port are on the schedule in this part of the state.

RINGLING CIRCUS STORM FOURTEEN YEARS AGO

Charles L. Robinson and E. C. Booth Died From Injuries Received When Tent Was Blown Down

It was fourteen years ago yesterday, Sept. 18, 1905, when a heavy wind and rain storm during the performance of Ringling Bros. circus in Maryville caused the death of Charles L. Robinson and also of Edward C. Booth, who died several days after the storm, and more or less seriously inujred a score of others.

The circus was in full swing when suddenly the main tent was torn from its fastenings on the north side by the force of the wind. At the same time the menagerie tent collapsed and some of the animal cages were overturned, leaving the beasts at the mercy of the storm. A wild panic ensued. The screams of women mingled with the roar of wild beasts, the flying ropes and tent poles, and the ripping of canvas combined to produce a confusing uproar. Tent poles were pulled from the ground and thrown high into the air.

Frank C. David, salesman for the Walter David Rubber Co., went to Kansas City today to spend the week-end with his brother, Walter David.

AN OPEN LETTER

To the People of Nodaway County:

Beginning next Monday morning and continuing for one week volunteer solicitors will attempt to see every citizen of Nodaway County for the purpose of presenting to them an opportunity to subscribe to a fund to be donated to the Sisters of St. Francis and to be used by them in the erection of an addition to the hospital in Maryville. The Sisters plan to build an addition that will cost $100,000 and the people of this county who benefit so largely by the location of this great institution at the geographical center, accessible to all are asked to subscribe one-half of this sum.

When compared with the great wealth of Nodaway County $50,000 doesn't seem to be a very large sum, but when it is remembered that many of the people will not feel financially able to respond to the solicitation and that some others will be indifferent to the call, you begin to realize that the money asked is after all a considerable sum and that a good many people are going to need to make substantial donations if the goal is reached. With this thought in mind I am constrained to urge that you consider well the tremendous importance of St. Francis Hospital and that you give as liberally as your circumstances permit.

St. Francis Hospital is peculiarly a Nodaway County institution that is used constantly by every township in the county. There is scarcely a family in the county but that either has had some near relative or dear friend at this hospital for treatment. In countless instances the very life of the patient has depended on the quickness with which the hospital could be reached.

The hospital is open alike to rich and poor, white and black, saint and sinner—a moderate cost for those financially able to pay, without cost for those who cannot pay—and the same loving care, the same devoted service for all. The hospital records show that an average of practically one patient for every week during the last fourteen years has been given the advantages of this hospital without having paid one cent.

The Sisters devote their lives to the work of mercy without one cent of pay and with the only hope of reward in the good they may do. It is the policy of the management to charge only what is sufficient to meet the running expenses of the hospital and for this reason the charge is only about half what it is in the average private hospital.

The additional room contemplated in the proposed addition is imperatively necessary if the hospital is to meet the demand now being made for its service. Constantly the hospital is crowded to capacity and many of the less urgent cases have to wait until a room is vacated.

The addition will be three stories, fireproof, modern in every way and will double the present capacity. When completed it will stand as a haven of refuge for the sick of this county for many years.

I believe you—as I do—will consider it a privilege to give a portion of your money to the promotion of this worthy enterprise. I hope you will be ready when the solicitors call. They are giving their time to this work and they will be grateful if you make their task as easy as possible.

FINAL PLANS MADE FOR STEEL STRIKE

PRESIDENT'S REQUEST FOR POSTPONEMENT IS DENIED

JUDGE GARY STANDS PAT

Won't Deal With Unions—Heads of Big Companies Appeal to Men to Remain at Work

Pittsburg, Sept. 19.—Preparations for a nation wide strike of all organized workers of the steel industry next Monday were speeded today, after the dispatch of a letter to President Wilson denying his request to defer the strike until after the industrial conference October 6. Several members of the national committee, comprising representatives of twenty-four unions, left the city.

Youngstown, O., Sept. 19.—The presidents of three big independent steel companies, employing twenty-seven thousand, men today appealed to their employes to remain loyal and continue work on and after Sept. 22.

Washington, Sept. 19.—President Wilson did everything in his power to prevail upon Judge Gary to meet the committee of steel workers and thus prevent the strike in that industry called for Monday, it was learned today. It is reported on excellent authority that the president went so far as to send Bernard Baruch, former head of the war industries board, on a mission to the steel magnate, but Gary remained firm in his refusal to treat with the men as a union.

SHE SIMPLY HAD TO HAVE A SOLDIER IN THE FAMILY

So Miss Emma J. Woods of Clyde Weds Sergeant Virgil E. Fancher of the Regulars

Miss Emma J. Woods of Clyde—since 11 o'clock this morning Mrs. Virgil E. Fancher—believes in having a soldier in the family. Her brother, W. C. Woods, was in the army from October 23, 1918, to July 28, 1919, and now she is the bride of a sergeant in the regulars, with two "hitches" to his record besides the one with Miss Woods this morning.

Sergeant Fancher, who is now a member of the Disciplinary Barracks Corps at Fort Leavenworth, Kan., expects to receive his discharge before long. He and his bride will then settle in Detroit, Mich. Before his first enlistment, the sergeant was a resident of Lamar, Mo. He has been six years and a half in the army, and has a sharpshooter's medal, and has served in the Eleventh Infantry, the Twenty-third Infantry and the Forty-ninth Infantry, besides some time in an officers' training school and serving on special duty at Camp Grant and Fort Leavenworth. He has a brother who served in the First Division in France.

Mrs. Fancher is a daughter of Mr. and Mrs. J. W. Woods of Clyde. The ceremony was performed by Justice W. L. Johnson.

TOTAL RAINFALL 4.65 INCHES; MORE THAN LAST TWO MONTHS

Well, the rain that set out to break records certainly did it.

Today is a fine and clear, and the mud is the only trace left of the downfall that came to an end some time last night, after drizzling and pouring off and on for two days.

The total precipitation, as measured by C. E. Wells, was 4.65 inches. Three inches of this fell before noon yesterday.

This exceeds by .34 of an inch the total rainfall for the last two months.

LAY DELEGATES ARE ELECTED TO THE GENERAL CONFERENCE

Two St. Joseph Methodists and One From Cameron Chosen Here Today—Seventy-two Ballots Cast

C. P. Dorsey of Cameron and T. M. Longmuir and G. L. Low, both of St. Joseph, were elected lay delegates from Missouri to the Methodist Episcopal General Conference at Des Moines next May. This action was taken this afternoon by the lay delegates of the state conference, who assembled in Maryville today for their part of the conference program. Seventy-two ballots were cast. Mr. Dorsey was named on 59 of these; Mr. Longmuir, on 43; and Mr. Low on 29. The meeting is being held in the Presbyterian church.

The temporary organization was made permanent, with Mr. Longmuir presiding, A. R. Coburn as secretary, and J. A. Carpenter as teller.

The three delegates elected today, with the ministerial delegates elected yesterday will compose, the Missouri delegation to the general conference.

Premier, in Speech at Rome, Says Right Thing Will be Done—Advance of Poles is Stopped

Paris, Sept. 19.—The American peace delegates are awaiting the report of Admiral Andrews of the United States navy on the situation at Fiume. It was stated today that the Italian situation is unchanged as far as the peace conference was concerned.

Paris, Sept. 19.—"I am sure that the allies will trust to the good faith and loyalty of the Italian government to arrive at a satisfactory solution of the Fiume problem." This was the declaration of Premier Nitti of Italy in address sing the Chamber of deputies at Rome, according to a Central News dispatch received here today.

Paris, Sept. 19.—Alarmed that the Poles will grab off a large slice of Russian territory, it was understood today, the supreme council of the allies has ordered the Poles to cease their advance against the Bolsheviki.

London, Sept. 19.—It is reported in Berlin that Hoover will shortly submit to the interallied economic council a plan for the internationalization of the world's coal production, said a Central News dispatch from Amsterdam today.

Berlin, Sept. 19.—The fate of German labor today is hanging in the balance, with a crisis in the metal industry which is expected to reach a decisive stage before the end of the week.

NEWSPAPER DELIVERY BY AIR PART OF CHILLICOTHE STUNT

Chamber of Commerce Sends to Maryville Sample of Advertising Work Being Done There

George A. Pickens, secretary of the Maryville Commercial Club, has just received a page of the stunt recently put on by the Chillicothe Chamber of Commerce in conjunction with the Kansas City Post. This stunt consisted of having a full page of the paper devoted to a description of the work at Chillicothe, the institutions of Chillicothe and pictures of the city officials. An auto trails map of Chillicothe and vicinity is inculded in the page. A history of the city also is given.

The really unusual part of tht stunt, however, is the method by which the papers were delivered. An aeroplane was chartered to carry the edition from Kansas City to Chillicothe, and the trip was successfully made. Every subscriber in Chillicothe got a copy, many others were sold and a great many were distributed free as a means of advertising. This stunt was given Tuesday.

Drive for Hospital Funds.

The drive for funds for the hospital in Maryville is progressing nicely over the county. In many instances even this early, donations have been made to this worthy cause. Locally several men express their intention of making substantial contributions to the fund and it is expected that the total amount of $50,000 will be easily raised.—Barnard Bulletin.

Treaty Given to Bulgaria.

Paris, Sept. 19.—The Bulgarian envoys received the text of the peace treaty today at Quai d'Orsay. The ceremony was brief and forma. This leaves only the Turkish treaty to be presented.

Conference Speaker Sees Danger in China; Christianity Is Needed

Dr. E. R. Fulkerson, in his second 4 o'clock lecture yesterday afternoon at the Methodist Episcopal conference, took as his subject "The Evangelism of the World."

This is the most timely period in the world's history for evangelistic work, he held. The world faces a crisis. In years past, each country has had its crisis; now the world as a whole faces one. Dark clouds hover over the world's horizon, but the silver lining is the hope of the coming of Christ's kingdom.

China, with a quarter of the world's population within its borders, is the future menace of the world's peace. If her leaders are not won to the Christian way of thinking within twenty years she will bring upon the world the greatest war in history, much greater than the one just passed.

The materialistic philosophy of life, given great impetus by Germany in the last forty years, is a failure. The Christian religion is the only hope.

Doctor Fulkerson referred to his twenty years as instructor in social science in some of the great universities of the world and his chance to study world problems. He mentioned an experience of his while a consular agent in Russia during the Czar's rule. A young Russian said to him: "Religion and democracy are irridescent dreams which give no promise of coming true." This is the philosophy which has passed. Christianity must come into its own.

Vitalized Christianity is what the world needs, not just nominal Christianity. Fifty per cent of the so-called Christians are merely nominal Christians. The individual must be reached through him, the world.

The peace conference made a great mistake in the disposal of Shantung. China is incensed and is going to build up a great army and navy to fight for her rights. Sixteen Ch'ness can be put into service for what it costs to equip and keep one white man. That means a formidable army when once organized. China must be Christianized to save the world from calamity.

Says the letter:

"Please take notice that the Path finding Marmon car which has been selected by the Kansas City Motor Car Dealers' Association to lay out the route of the tour and to make the necessary arrangements will leave Kansas City, Monday, September 22. The car will carry as is passengeres on the pathfinding trip E. E. Peake, secretary of the association and manager of the tour, A. L. Ellwood, owner of the Ellwood Motor Car Company, Kansas City distributor of the Marmon car, and three reporters representing the Kansas City newspapers.

It Is Seventh Annual Tour.

"This is the seventh annual trade and road boosting tour which has been put on by the Kansas City Motor Car Dealers' Association. Each year the big tour goes out and spends one week on the Kansas City trade tour, preaching the gospel of good roads and automobiles. This year the tour will consist of two divisions, one of passenger cars and the other of commercial cars.

"A brass band of fifteen pieces will accompany the tourists, and big good roads meetings will be held both at noon and night controls. Short concerts will be given by the band at every stop.

Exact Route Not Certain.

"The exact route of the tour, of course, cannot be determined until after the pathfinding car finishes its trip. Lack of enthusiasm in the different towns may change the route or impossible stretches of roads making it unsafe for such a large consort of cars to travel over would also cause a change.

"Speaking of the prospects of the Victory Tour, Mr. Peake, manager, recently said, 'This undoubtedly will be our best trip.' The motor car was never so popular as now. The subject of good roads is more interesting today than ever before.

"A great many of the towns through which the tour will pass have already expressed their desire to entertain the tourists, and we certainly expect to receive a warm welcome all along the route."

WOULD HAVE CHURCHES BEGIN MISSIONARY WORK AT HOME

Rev. Harry Farmer, D. D., Calls Attention to City Neglect in His Centenary Address

Missionary work at home as well as abroad was urged last night by Rev. Harry Farmer, D. D., of New York City in his address to the Methodist Episcopal Conference. He cited the cases of New York City churches that close their doors and move away from the immigrants toward the more fashionable parts of the city, and at the same time contribute great sums of money to send missionaries abroad to convert these same immigrants while they are still in their native countries. This attitude is scarcely consistent, he held.

Doctor Farmer's announced subject for the Centenary address was "Methodism's World's progress," but his main theme was the interpretation of Jesus. "No church has ever interpreted Jesus completely," he declared. "If any church had ever done this, we would have a perfect church. A perfect interpretation of Christ is what each church wants. It is the longing of the people that the churches provide this interpretation."

Many men have made efforts with considerable success, the speaker said. He cited the cases of Paul, of Luther, of Wesley, to support his statement. The necessity of free will in the acceptance of interpretations was emphasized.

Referring to the Centenary movement, Doctor Farmer declared that it was the best modern interpretation of Christ. It is the best in service, in finance and in evangelism, he holds.

Wheat is doing Better.

Some of the fields of wheat that have been threshed recently are turning out better than those that were threshed earlier in the season. A good many pieces are yielding twenty-five bushels or more. W. N. Houston had forty acres that made an average of tweny-six bushels. Some of his wheat made twenty-eight. Richard Tobin's wheat averaged twenty-five and was of a good quality.—Burlington Junction Post.

The New Edison

Laboratory Model

Mr. Edison is a peculiar man—he didn't start to make phonographs for the money—he did it as part of his wonderful gifts to mankind in the field of science and invention. But he HAD to sell the Edison Phonograph because people demanded it. Since putting the Edison on the market a force of inventors has been constantly at work in the laboratory, and there has not been basic improvement in phonograph construction that has not been known to them and analyzed and put into use whenever practical.

The result of the New Edison, Laboratory Model—absolutely the highest form of phonograph. There are others that run high in price owing to the style of cabinet and finish, but there is NO PHONOGRAPH THAT WILL REPRODUCE the human voice or instrumental music with such perfection as the New Edison.

We think this has been thoroughly demonstrated. We don't claim that other phonographs are not good instruments, but we do claim that the Edison is just a step ahead of others because it was the first phonograph, and because its maker stands at the head of American Inventors.

We want you to come and hear the New Edison play some of your favorite pieces, and judge for yourself what it will do in your own home.

We have in stock the Chippendale Laboratory Model and the William and Mary Period Design.

Double Mileage----

The carcass of your worn tire will give DOUBLE MILEAGE if properly protected with a new tread.

If kept well inflated only the tread of a tire will wear out in the first four to six thousand miles. The rims, side walls and fabric will give another four to six thousand miles by applying a new tread.

Modern methods of vulcanizing have made it possible to put new tread rubber on a worn tire and make it look and wear like new—and at less than ONE-HALF THE COST of a new tire.

Hundreds of Nodaway County tire users are reducing their tire bill one-half through our tire rebuilding and retreading service.

Bring in some of your old tires—we can tell you whether or not they are worth rebuilding. No doubt some of the tires you expected to sell the junk man can be put back on your car as good as new, and two of them will cost you less than the price of one new tire.

"Question Mark" Social.

The B. Y. P. U. of the Baptist church entertained the students and teachers of the State Teachers College with a "question mark" social last evening in the basement of the church. There was a fairly good attendance despite the inclement weather. Upon arrival each person signed their name on a card containing a question mark. The pastor and wife, the Rev. and Mrs. W. G. Ferguson, led a line in the form of a question mark and at this time everybody became acquainted. The question mark ideas were carried out in the games and church decorations, green and red emblems being used throughout the rooms. Refreshments concluded a delightful evening.

In Honor of Mrs. White.

Mrs. A. B. Davis was hostess on Friday afternoon when the Ladies Circle entertained for Mrs. Anna B. White, one of their members who leaves this week for Chicago. The entertainment consisted of Readings, Vocal solos, Victrola and Piano music. The living and dining room was profusely decorated with golden rod. The color scheme of yellow and white was also carried out in the ices and cakes. Mrs. Davis was assited in serving by Mrs. J. W. Core and Mrs. E. T. Reisner. The guests were: Mesdames J. O. Thompson, Henry Wilson, E. C. Starin, Fieldon Hinkle Wm. Beggs, Dan Skidmore, W. D. McClanahan, W. H. Ellington, A. McClintock, E. T. Reisner, J. W. Core, Enoch Byergo, R. H. Campbell, Miss Belle Bledsoe, Mrs. A. B. Davis and the honor guest Mrs. Anna B. White.—Guilford Times.

Hodgins-Hogan.

Miss Florence Hodgins of this place and Mr. T. Hogan of Kansas City were united in marriage at St. Joseph at 10 a. m., Monday, September 15, 1919. The attendants were Mr. and Mrs. W. O. King of this place. After the ceremony a wedding dinner was served at the St. Francis hotel and they left thereafter for a honeymoon trip to Kansas City, Chicago, Buffalo, New York and other points in the east. Miss Hodgins is the youngest daughter of Mrs. Cora Carver of this city. She was reared in this community and is a very estimable young lady and by her sweet and lovable disposition made herself a great favorite among the young as well as the old people of the community. The groom is well known here, having been employed at the C. G. W. shops at this point for some time. He is a bright and capable young man of exemplary habits with a faculty for making good friends with all of whom he came in contact. The Courier extends to the happy couple its sincere wishes for a long and prosperous wedded life.—Conception Courier.

Seventy-Fifth Birthday.

Mrs. Abe Loucks can in future days look back on Saturday, September 13 as one of the happiest of the seventy-five birthdays that she has lived to enjoy. On that day she and Mr. Loucks had the pleasure of having in their home many relatives and friends from a distance as well as their children and their families who live here. The bountiful dinner which was spread came from baskets the guests had brought with them and if any one of those fortunate enough to be there went away hungry it was his own fault ,as the best the country affords was there in abundance. Those who were there to help Mrs. Loucks celebrate this happy occasion were Mr. and Mrs. Frank Loucks, Mr. and Mrs. Albert Loucks and family, Mr. and Mrs. Dave Loucks and family, Mr. and Mrs. George Loucks and son, Mrs. Lewis Myers and son, all of Mound City; Mr. and Mrs. Bert Smith and family of King City; Mr. and Mrs. Leonard Botkin of New Point; Mr. and Mrs. A. W. King and Mrs. Frank Foster of Oregon; Mr. and Mrs. Everett Iddings and little daughter, S. G. King, Mr. and Mrs. Pete Loucks and family, Mr. and Mrs. Charles Jackson and family, Mr. and Mrs. Mark Loucks and family and Mark and Stoy Williams of Skidmore. —Skidmore News.

Surprise Birthday Party.

When it comes to a man thoroughly understanding the minutest details of the hardware and implement business, O. R. Proctor of this city is in a class all by himself. There is nothing about that business that he does not fully understand and that is the reason he has been so successful in that line both here and at Clyde. But if you were to ask him the date of his birth he would stop, scratch his head, look down to the floor, take a chew of tobacco, look at you with a grin and say, "damned if I haven't forgotten." However, his wife does not forget, and so, on Tuesday evening, September 16, 1919, she invited a number of his friends to assemble at her home and assist her in celebrating his birthday. A right jolly crowd greeted "Proc" on his return home after closing his place of business that evening and forthwith proceeded to indulge in a very enjoyable time, playing progressive pitch. Prizes were awarded as follows: First honors to Mrs. Roy Fitzsimmons and T. F. Merrigan, Sr., while consolation honors went to Mrs. R. F. Farrell and Don Proctor. At about 12 o'clock delicious refreshments were served. The guests present were Mr. and Mrs. P. R. Growney, Mr. and Mrs. Emmett Growney, Mr. and Mrs. J. F. Pfeifer, Mr. and Mrs. James Morrissey, Mr. and Mrs. T. F. Merrigan, Dr. and Mrs. R. F. Farrell, Mr. and Mrs. Roy Fitzsimmons, Mr. and Mrs. Don Proctor, Rev. Father Joachim, Misses Lydia Cordes, Eulalia Corcoran and Marguerite Proctor, the guest of honor and the hostess. Mr. Proctor was the recipient of some very useful presents.—Conception Courier.

Social at St. Mary's.

The young ladies of St. Mary's church will give a social Monday evening in the church hall.

Graduating Exercises.

The Mothers Club of the Baptist church are invited to attend the graduating exercises of the primary and beginners' department of the Sunday school to be held Sunday morning in the basement of the church.

Mr. and Mrs. Noah Clemons, living southeast of Maryville, announce the birth of a son yesterday.

Are You Going to Help Nodaway?

Yes, we know that you have been called upon during the past three years to donate to numberless subscriptions.

The Y. M. C. A., the Red Cross, K. of C., the Salvation Army and various other societies and associations have pressed their claims for your support but never in vain.

Now comes an institution that has for its aim the care of the sick and the healing of disease, that is located right in our midst and whose bounty may be had, if necessary without money and without price. This institution, in order to carry on its great work, asks you to help to raise enough money to enlarge the buildings and to afford greater facilities for the care of the sick.

You have not been found wanting in the past and it is certain that you will want to help in this great work.

The drive will be made during the week of September 22nd, to 29th, so see township committee and donate all that you possibly can to the building fund of Francis Hospital.—Conception Junction Courier.

MISS CELIA HUTT IS MOME FROM WAR WORK IN FRANCE

Skidmore Girl Had Headquarters in Paris—Will Go to Seattle, Wash., to Teach

After being absent since this spring in France, where she did Red Cross work, Miss Celia Hutt arrived in Skidmore last Saturday.

While in France Miss Hutt had her headquarters in Paris, but her work called her into various portions of the war zone where she had oportunity to gain forst hand knowledge of the awfulness of the war and the conditions which followed.

She gave a talk at the Christian Bible school Sunday morning in which she related some of her experiences and told in a general way of the sorrow and suffering that is prevalent in the war stricken districts. What she had to say was given undivided attention by those present.

After a short visit here with her mother, Mrs. Emma Hutt, and her sisters, Misses Maud and Helen, she will leave for Seattle, Wash., where she will again teach school, she having received a message stating that her position was waiting for her. She will probably leave the last of the week.—Skidmore News.

DIZZY — WRECKED HIS AUTOMOBILE

"Two years ago my stomach trouble got so bad that I was almost constantly filled with gas. This made me very dizzy at times. Last fall I was almost overcome by one of these dizzy spells while driving my car and ran it into a telephone pole, badly wrecking the car. A friend recommended Mayr's Wonderful Remedy for my trouble. Since taking the first dose I have steadily improved and fel better now than ever in my life." It is a simple, harmless preparation that removes the catarrhal mucous from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. Sold by Maryville Drug Co., and druggists everywhere. (Adv)

Sour stomach, belching, wind in the bowels and constipation, can be corrected by taking a dose or two of Prickly Ash Bitters. It is a man's remedy for such ailments. Price $1.25 per bottle. Maryville Drug. Co. (Adv.)

Catarrh Is a Real Enemy and Requires Vigorous Treatment

When you use medicated sprays, atomizers and douches for your Catarrh, you may succeed in unstopping the choked-up air passages for the time being, but this annoying condition returns, and you have to do the same thing over and over again.

Catarrh has never yet been cured by these local applications. Have you ever experienced any real benefit from such treatment?

Throw these makeshift remedies to the winds, and get on the right treatment. Get a bottle of S. S. S. today, and commence a treatment that has been praised by sufferers for nearly half a century.

S. S. S. gets right at the source of Catarrh and gives satisfactory results. For special medical advice free regarding your own case, address Medical Director, 51 Swift Laboratory, Atlanta, Ga.
